

FIP and ARISF/IOC Youth Development Fund

FIP receives a grant of U.S. \$25,000 per year from the Association of IOC Recognised International Sports Federations/International Olympic Committee (ARISF/IOC) for the support of Children's Polo Programs and Umpire Training Clinics. This program has been very successful for the past several years and we encourage applications from our members.

The appropriate National Association dues must be current in order to qualify for a grant. An approved applicant must submit a report together with appropriate photographs to FIP at the completion of the event.
